Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Saturday 16 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy evening rain turning to drizzle overnight. Some fog possible.

This Evening and Tonight:
Cloudy with persistent rain, heavy at first, turning lighter overnight and dying out in many areas by morning. A much milder night with winds becoming lighter which will allow some mist and fog to form. Minimum temperature 12 deg C (54 deg F).

Sunday:
Mainly dry with just the odd drizzly shower remaining. Also rather cloudy with just a few brighter interludes, mostly through morning. A mild day with light winds. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:
An unsettled few days. It will be mainly cloudy and mild with some outbreaks of rain. The rain will become more persistent and heavier on Wednesday. Quite windy at times.
